1. Type of the competition

- Outdoor Target archery – 70 m Round
- The competition includes a qualification round (2x36 arrows) according to the WA rules, for the Club team ranking, followed by the Club team-matches as per WA current format at the date of the competition.
- The procedure of the Club team event will take place on the principle of flights (see following rules). Each match is shot according to the WA rules.
- The WA categories allowed to participate are Recurve Men and Recurve Women.
- A Club can participate with only one Men Club team and one Women Club team; mixed teams are not accepted.
- Each Club team is composed of 3 archers (see article 2 of this document).
- Maximum number of Club teams by country: 5 Men Club teams and 5 Women Club teams.
- The host country may enter a maximum of 8 Men Club teams and 8 Women Club teams.
- The country of the winning Club (both men and women) is allowed an extra team in the same category for the following year, so to participate with 6 Club teams in that category (9 if the host country).
- If there is a full selection there are 30 archers for one country (36 in case the club won both categories in the previous year and received 2 extra places, 48 for the host country or 54 if the host country won both categories the previous year).
- The first 16 ranked men Club teams and the first 16 ranked women Club teams after the qualification round will compete in the Club team-matches. The ranking of the Club teams is obtained by adding the scores of the 3 archers of the Club team at the end of the qualification round.
- If less than 16 Club teams take part in a category, byes are allowed provided there are at least 12 Club teams. If less than 12 Club teams take part in a category, only the first 8 Club teams of the qualification round will compete in the match-event.
- If there are more than 16 Club teams in a category, the teams after the 16th place can compete in a secondary tournament.
- At the Awards Ceremony the Anthem of the Club team winner's country will be played, the flags of the top three placed Club teams' countries will be raised.
- At the end of the closing ceremony the World Archery Europe Anthem will be played.

2. Selection of Club teams

- Each Club team is composed of 3 archers (each archer of the Club team has to belong to the same club). They have to be members of the participating club as per the 1st January of that year.
- To be eligible to participate as a member of a Club team in the European Club teams Cup the team must provide a written certification from the Member Association that all athletes representing the Club are registered under that club since the 1st of January of that year and that they did not represent any other club during that period. This doesn't change his eligibility to compete for his respective national or regional team in other competitions.
- By participating in the European Club Team Cup, athletes and Clubs allow their persons, names, pictures and sport performances to be used for advertising purposes.

Main competition

Pool Matches

- As stated in article 1, point 2, all matches will be held following WA rules for Recurve Teams Outdoor Target: since 1st of April 2014 with set system.
- At the end of the individual qualification ranking round (70m Round), the first 16 Club teams (men and women) will compete in the Main competition. Ties for the 16th place are broken as per WA rules. These 16 Club teams are entered into 4 groups of 4 Club teams, according to the following scheme:

Group A	Group B	Group C	Group D
1st	2nd	3rd	4th
8th	7th	6th	5th
9th	10th	11th	12th
16th	15th	14th	13th

- In each group each Club team competes against the three others in the group.

	1st Match	2nd Match	3rd Match
Group A	1 vs 16 - 8 vs 9	1 vs 9 - 8 vs 16	1 vs 8 - 16 vs 9
Group B	2 vs 15 - 7 vs 10	2 vs 10 - 7 vs 15	2 vs 7 - 15 vs 10
Group C	3 vs 14 - 6 vs 11	3 vs 11 - 6 vs 14	3 vs 6 - 14 vs 11
Group D	4 vs 13 - 5 vs 12	4 vs 12 - 5 vs 13	4 vs 5 - 13 vs 12

- In each match 2 “pool points” are allocated based on the outcome of the match: 2 points for the winner and byes, 0 points to the loser, 1 point each if tie.
- At the end of the 3 pool matches, ties in “pool points” are broken by the set points earned during the 3 matches. If still tie a Shoot Off will decide the winner.
- After the pool matches, once pool points have been allocated and ties broken, the situation is:

	Group A	Group B	Group C	Group D
Level 1	1st	1st	1st	1st
Level 2	2nd	2nd	2nd	2nd
Level 3	3rd	3rd	3rd	3rd
Level 4	4th	4th	4th	4th

Ranking Matches

- The 4 Club teams of same level will then go into a standard semifinals/finals scheme:
- **Match 1** (semifinals): A1 vs D1 and B1 vs C1
A2 vs D2 and B2 vs C2
A3 vs D3 and B3 vs C3
A4 vs D4 and B4 vs C4
- **Match 2** (finals): apart the level 1 Club teams, that will do their final match on a final field of play, the winners of the previous match compete for the 1st place, the loser for the 3rd place of their “level”.

Bronze and Gold medal matches

- The 4 final matches (Bronze Women, Bronze Men, Gold Women and Gold Men) will take place on a separate field of play, in alternate shooting and one after the other (see schedule).

Secondary Tournament

- All the teams that did not make the cut will compete in a secondary “just for fun” competition that will take place only on Saturday after the main competition. There is nothing to win except experience.
- A cumulative ranking is established, with all the teams involved, regardless of gender: Women Club teams will therefore compete among Men Club teams.

- Based on that ranking, all teams are divided in “flights” of 4 teams each. The minimum flight composition is of 3 teams not less. Example with 17 teams.

	Flight 1	Flight 2	Flight 3	Flight 4	Flight 5
A	1st	5th	9th	12th	15th
B	2nd	6th	10th	13th	16th
C	3rd	7th	11th	14th	17th
D	4th	8th	bye	bye	bye

- Each team will then compete against all other team in its flight with the same procedure of the pool matches of the main competition. Byes are allowed in case of 3 teams in a flight.
